
Green School Bali is a progressive, dynamic and wall-less Pre-K to Grade 12 educational institution, located in the lush jungle of Bali, Indonesia.

Internship Description:

As a Green School Early Years Team, we work to inspire, excite and nurture children through a crucial stage of their development. Our aim is to motivate children and use resources imaginatively to help them learn. We provide a safe and secure environment for them to develop their social and communication skills, while recording observations and summarising their achievements.

The intern will work alongside with the Early Years teachers to take care of the children and get direct mentoring from the Early Years team in all stages. Through this internship, you will gain valuable skills and knowledge with regards to teaching and learning that will prepare you to enter the work environment.

Role Description:

- Assisting the team during teaching and learning activities
- Providing a safe and stimulating environment that facilitates learning
- Ensure the health and safety of children during all activities
- Assist with the development of a child's personal, social, language and physical coordination abilities
- Assisting the team to develop and produce visual aids and teaching resources
- motivate and stimulate a child's learning abilities
- Assisting the team to observe, assess and record each child's progress
- Assist with Early Years snack and lunch duties

Requirements:

- Willingness to learn new skills
- Happy to play and work with the children
- Ability to adapt and work within a multicultural community
- Excellent English and communication skills, both in writing and speaking
- Ability to work as a team
